MUSIC: Andrew Bird - See The Enemy

--is how he works in variations.

I have been listening to b-sides tonight. And I and Imitosis, and Anonimal and See The Enemy, and--

--so on.

Same song, only not. Song as it might have been in an alternate universe.

Song through a looking glass.

Song misheard. He's his own Mondegreen.

Self reinvented. I-mitosis.

Yeah.

Chocolate cherry muffins this week, I think.

This looks like a good idea.

...

This.

...

Little guy's not bad.

Gotta teach RHex to smear.
